TUCK'S POST CARD

CARTE POSTALE — POSTKARTE

By Appointment.

The Lidderwart. The picture shows a glimpse of the ice-world of the Himalayas, in the midst of which is the beautiful native State of Kashmir, a favourite summer resort with the European residents of India. These hills of perpetual snow entirely surround the rich green pastures and rice fields of Kashmir, and caused the ancients to give it the name of the "Emerald set with Pearls."
